NEW BUSINESS

- A. Rudd Sanitation. Lori and Brian Prucha, owners of Rudd Sanitation noted their company is in need of a rate increase due to diesel costs, landfill dumping fees, and lack of the recycling incentives. has made the recommendation of also installing one camera at City Hall for protection of City Staff. The Council reviewed the quotation from Electronic Engineering for two additional cameras at South Troy Park and one camera in the City Hall foyer. It was noted the park cameras would be slightly over the donation amount which will come out of the general fund budget along with the camera for City Hall. Pilcher moved to accept the donation from the Civic Club, Smith seconded and all voted aye. Franzman moved to approve Resolution No. 1022-8 purchasing the cameras from Electronic Engineering, Smith seconded and all voted aye.

- D. Street Name Change. The Council reviewed the request of John Taylor to re-name W. Knoll Drive to Taylor Drive. Mr. Taylor noted his family has owned the property for over 47 years; they are the only house on W. Knoll Drive, and probably remain that way as extension of the street is highly unlikely due to the nature trail to the west and Dry Creek to the east; and added this would eliminate the confusion between East Knoll Drive and West Knoll Drive. After additional discussion, Pilcher moved to approve Resolution No. 1022-7 changing the name of W. Knoll Drive to Taylor Drive, Franzman seconded and all voted aye.

Overbeck moved to adjourn at 6:08 p.m., Smith seconded and all voted aye.
